Dear Sir / Madam,

Kautilya Institute of Technology and Engineering (**KITE**) is completing **10** glorious years of its inception (**2002-2012**). On this occasion the **Department of Electrical Engineering** of the Institute is organizing a **National Conference on "Distributed Generation (Present Status and Future Prospects)"** on **February 18 & 19 (Saturday-Sunday), 2012** at **Jaipur**. The conference is co-sponsored by the **Institution of Engineers (India)**.

Several **Key Note Lectures** will be delivered in the conference by eminent Academicians as well as Field Professionals. In addition papers shall be presented by academicians, field professionals, research scholars students etc.

A brochure of the conference is enclosed here with which gives full details about the conference. We request you to kindly circulate this brochure to the concerned **Faculty/Staff** of your **College/ Institute /Organization**. Technical papers are invited from them for presentation in the conference.

We further request you to kindly sponsor your **Faculty/Staff** members to attend the confrence as delegates and get enriched by the valuable information provided by the eminent **Key Note Speakers** and others. Very fruitful discussion on the subject shall take place in the conference.

Thanking you

Yours Sincerely

Prof. (Dr.) N. C. Bhandari
